Team **Advantage**

Powering Today, Better Tomorrow

F4service Core Values

Outstanding

A commitment to achieving the highest quality in every task.

Dynamism

Effective leadership and management that fully develops and leverages team members' abilities and skills.

Efficient

Have a clear sense of purpose, focus, and the ability to complete tasks swiftly.

Collaboration

Effective communication and information sharing with well-defined roles and responsibilities.

Our **Projects**

Powering Today, Better Tomorrow

Project My Clinic Hospital, Jeddah

From 2016 to 2019, 10 units of 410 kW Cummins diesel generator sets were supplied, installed, and integrated with a synchronization system for MY CLINIC hospital. This equipment provides emergency backup power to ensure the normal operation of hospital systems.

Project Tela Al Ghorroob, Jeddah

Between 2019 and 2023, the Jeddah Affordable Housing Project purchased 21 synchronized 410 kW generator sets (Cummins) and 10 single 160 kW generator sets (Cummins). Additionally, our company provided installation, maintenance, on-site commissioning, and after-sales services for the project.

Project SHACMAN SHIBH AL JAZIRA CONTRACTING

SHIBH AL JAZIRA CONTRACTING is a major general contractor in Saudi Arabia, undertaking a wide range of government projects throughout the kingdom. History of cooperation: Since 2007, SHACMAN has cooperated with the company for 15 years. Quantity of SHACMAN trucks: more than 1500 units of SHACMAN F2000/F3000/H3000 Tractors, Dump truck, Cargo trucks and Liquid tank trucks.

Future **Development**

Powering Today, Better Tomorrow

F4S

Integrated product solutions

By integrating multiple product offerings and aligning with customer needs, we provide comprehensive solutions to our clients.

Aftermarket services

Enhance customer satisfaction and market competitiveness, extend the product lifecycle, and establish lasting customer loyalty.

Future Plan

Follow Saudi Vision
2030 F 4 service proposed:

- 1- In the future, we will implement an integrated service plan for commercial industrial parks to provide brands with an ideal operating environment and improve the efficiency and flexibility of the supply chain.
- 2- Provide customers with a more convenient logistics environment, enhance corporate image and brand effect, and help companies stand out in market competition.

Essa Dakhil Allah Al Marwani Trading

Chairman **Message**

As a company dedicated to providing high-quality equipment and materials to the Saudi market, we are driven by innovation, expertise, and localization at our core. Saudi Arabia's Vision 2030 is reshaping the economic landscape, accelerating industrial advancement and localization—presenting us with tremendous opportunities and responsibilities.

We recognize that Local Content is not just a regulatory requirement but a commitment to growing together with Saudi Arabia. By introducing cutting-edge technologies, nurturing local talent, and strengthening supply chain partnerships, we strive to contribute to the Kingdom's industrial development and infrastructure growth. Moving forward, we remain committed to our philosophy of “Quality First, Customer Focused.” We will continue to comply with Saudi localization policies, enhance the competitiveness of our products and services, and support our customers' success while fostering sustainable value in partnership with Saudi stakeholders.

Sincere **Cooperation**
